JUNE'S GUIDING PRINCIPLE IS PATIENCE!

From the Principal's Desk.....

Greetings families:

With just days left of school, which is hard to believe, here are some items of note:

- Our students and staff began reading *The Chocolate Touch* this week. Please enjoy reading this book with your child and be a part of "Our School, Our Book!"
- The Grade 4 students will be taking the written portion of the NYS Science test on Monday, June 5.
- Grade 5 students will be taking part in a STEAM project sponsored by local GE Ambassadors on Tuesday, June 6.
- Mission Day is on Friday, June 9 (sponsored by the PTA)

Just a reminder, please remember to bring your ID if you are picking up a child so that you can be entered into our new Raptor Visitor Management system for next year.

Thank you!

Respectfully,
Paul Morcone
