Dear Parents and Guardians:

The end of the school year is upon us! Please note that **we will begin dismissing students at 11:15 am starting on Tuesday, June 13th**. Recently I sent out a letter outlining our afternoon program during the 11:15 am dismissal days to the parents of all students in jeopardy of failing any course(s). This program is designed to prepare students to be successful at the next grade level while hopefully averting the need to participate in summer school.

On March 1st of this year we sent out a SNN to notify parents **that the date and time listed on the school calendar for both Warrior Day and the 8th grade moving-up ceremony have changed**. This was done to avoid conflicts with the 5th grade moving-up ceremony and the foreign language assessment. This calendar reflects the correct dates for those events and the correct time for the moving-up ceremony.

Thank you very much for all of the support I have received during my first year as Middle School Principal at Stillwater. It has been a wonderful experience!
